RESPONSE TO RESTRICTION REQUIREMENT

In the Restriction Requirement mailed May 27, 2003, the Examiner required restriction between Group I (method claims 1, 3-21, and 33-34) and Group II (apparatus claims 22-29 and 35-37). Although the Restriction Requirement did not mention claims 38-45, Applicants assume that the Examiner intended to include claims 38-40 in Group II and to include claims 41-45 in Group I.

Thus, Applicants elect, without traverse, Group II (apparatus claims 22-29 and 35-40). Applicants respectfully cancel claims 1, 3-21, 33-34, and 41-45 (Group I) without prejudice, and reserve the right to reintroduce them in a divisional application at a later date.

The Examiner is invited to contact Applicants' Representative, Walter W. Nielsen at (602) 298-8920, or the below-signed attorney if there are any questions regarding this Response or if prosecution of this application may be assisted thereby.
